

# PETS FROM SPACE

*They're out of this world!*

## *Design your own Satnik*

Fizz and Toppo are Satniks from the planet Saturn. They are on a secret mission to investigate Earth.

Fizz is purple with yellow spots and a long nose shaped like a trumpet.  
Toppo is small with black and white striped fur and corkscrew ears.  
And they both have lots of gadgets with super powers!

### **Design your own Satnik.**

What's your Satnik called?

What colour is their fur?

What strange features does your Satnik have?

And what special gadget do they have?
